II REASONS FOR THE REFUSAL OF ANNUAL FINANCIAL STATEMENTS AND ANNUAL CONSOLIDATED FINANCIAL STATEMENTS OF CREDIT INSTITUTIONS

Article 2

(1) The Croatian National Bank shall refuse annual financial statements or annual consolidated financial statements:

- 1) where it determines that annual financial statements and annual consolidated financial statements have been prepared contrary to regulations; or
- 2) where it determines that the annual financial statements and annual consolidated financial statements that received an unqualified or a qualified opinion in the audit report fail to provide a true and fair view of a financial position and performance, and of cash flows.

- 1) if such statements have not been prepared in accordance with the provisions of regulations governing the structure and content of annual financial statements of credit institutions or if they have not been prepared in such a way that the forms prescribed under these provisions of regulations are an integral part of annual financial statements, following the statements themselves, and if there is no clear reference between published and prescribed annual financial statements with an explanation of differences;
- 2) if such statements have not been prepared in accordance with the applicable financial reporting framework or the provisions of Regulation (EC) No 1606/2002 of the European Parliament and of the Council of 19 July 2002 on the application of international accounting standards (OJ L 243, 19.7.2002) and Commission Regulation (EC) No 1126/2008 of 3 November 2008 adopting certain international accounting standards in accordance with Regulation (EC) No 1606/2002 of the European Parliament and of the Council (OJ L 320, 29.11.2008); and

(3) For the purposes of this Decision, the annual financial statements and annual consolidated financial statements that received an unqualified or a qualified opinion in the audit report fail to provide a true and fair view of a financial position and performance, and of cash flows of a credit institution or a group of credit institutions where, in the exercise of supervision, the Croatian National Bank identifies illegalities, irregularities and weaknesses in the operation of the credit institution or the group of credit institutions that materially influence a statement of a financial position and performance, and of cash flows in annual financial statements or annual consolidated financial statements or where it establishes the existence of facts that jeopardise the ability of the credit institution or the group of credit institutions to continue as a going concern.

Under Article 2 of the Decision on amendments to the Decision on the refusal of annual financial statements of credit institutions and the content of an audit for the purposes of the Croatian National Bank (Official Gazette 139/2022), which entered into force on 8 December 2022, in paragraph (2), the words "The Croatian National Bank shall consider that" have been replaced by the words "For the purposes of this Decision", and in paragraph (2), item (3) the word "it" has been replaced by the word "the Croatian National Bank".
