

HRVATSKA NARODNA BANKA

Press releases

Published: 1/2/2015

Press releases on the decisions of the CNB Council, the highest body of the central bank, are published immediately after the meetings at which they were enacted. Press releases also report on putting new banknotes into circulation, on commemorative numismatic issues and other activities carried out to realise central bank tasks.

This section also features links to press releases of the European Central Bank.
